

RUBRICS EDU

The new ingenuity from Center of Academic Excellence, NSRIT is the first Training Academy of its kind established with the maxim of spreading the awareness of Outcome Based Education (OBE) and Outcome Based Accreditation (OBA). The understanding of OBE and OBA is essential for the two prime stakeholders of an Academic Ecosystem, the Faculty, and the students. The prime focus of this training academy is to give a full-fledged training for faculty and students of Higher Education n OBE and OBA. Our training modules are framed in the way of making the learner to deploy in their academic system. We offer services that covers every aspect of OBE and OBA, starting from terminologies to their implementations with domain specific examples and case studies. We also provide services on training faculty on innovative teaching-learning pedagogies aligned with OBE.
